

## **Terms and conditions**

These terms and conditions ("Terms", "Agreement") are an agreement between Mobile Application Developer ("Mobile Application Developer", "us", "we" or "our") and you ("User", "you" or "your"). This Agreement sets forth the general terms and conditions of your use of the Custom Color Picker mobile application and any of its products or services (collectively, "Mobile Application" or "Services").

## **Billing and payments**

You shall pay all fees or charges to your account in accordance with the fees, charges, and billing terms in effect at the time a fee or charge is due and payable. Where Services are offered on a free trial basis, payment may be required after the free trial period ends, and not when you enter your billing details (which may be required prior to the commencement of the free trial period). If auto-renewal is enabled for the Services you have subscribed for, you will be charged automatically in accordance with the term you selected. Sensitive and private data exchange happens over a SSL secured communication channel and is encrypted and protected with digital signatures, and our Mobile Application is also in compliance with PCI vulnerability standards in order to create as secure of an environment as possible for Users. Scans for malware are performed on a regular basis for additional security and protection. If, in our judgment, your purchase constitutes a high-risk transaction, we will require you to provide us with a copy of your valid government-issued photo identification, and possibly a copy of a recent bank statement for the credit or debit card used for the purchase. We reserve the right to change products and product pricing at any time.

## **Accuracy of information**

Occasionally there may be information in the Mobile Application that contains typographical errors, inaccuracies or omissions that may relate to promotions and offers. We reserve the right to correct any errors, inaccuracies or omissions, and to change or update information or cancel orders if any information in the Mobile Application or on any related Service is inaccurate at any time without prior notice (including after you have submitted your order). We undertake no obligation to update, amend or clarify information in the Mobile Application including, without limitation, pricing information, except as required by law. No specified update or refresh date applied in the Mobile Application should be taken to indicate that all information in the Mobile Application or on any related Service has been modified or updated.

It is your sole responsibility to maintain appropriate backup of your Content.
